FALL TECHNICAL CONFERENCE GOALS & OBJECTIVES

After attending this conference, participants will be able to:

- Understand best practices and techniques for HVAC system inspection, cleaning and restoration.
- Realize professional growth through certification and increased networking opportunities.
- Apply their knowledge in industry related topics such as blueprint reading and bidding on commercial projects, HVAC and IAQ, and hazards in duct cleaning.
- Provide first hand accounts of the new and innovative technology and equipment available in the HVAC cleaning industry.

NADCA takes this opportunity to thank the dedicated and committed members of the 2022 Fall Technical Conference Committee.
