FALL TECHNICAL CONFERENCE GOALS & OBJECTIVES

After attending this conference, participants will be able to:

- Understand best practices and techniques for HVAC system inspection, cleaning and restoration.
- Realize professional growth through certification and increased networking opportunities.
- Apply knowledge gained on industry related topics including cleaning mini-splits, working with industrial hygienists, air handler restoration, workplace safety, and customer service.
- Provide first-hand accounts of the new and innovative technology and equipment available in the HVAC cleaning industry.

NADCA takes this opportunity to thank the dedicated and committed members of the 2023 Fall Technical Conference Committee.
